EXPERIENCE

Marketing Intern
Twin State Technical Services | Jun 2026—Aug 2026

- Conducted a comprehensive website audit, identifying 200+ issues, including typos, responsive design errors, and dense text sections that hindered content scannability.
- Redesigned the homepage as a high-fidelity Figma prototype, restructuring information architecture to improve user experience.
- Conceptualized and produced two brand logos, a collection of three marketing flyers, and a products and services book.
- Authored a print advertisement highlighting the company's awards and strengths published in the *Quad Cities Business Journal (QCBJ)*.

Student Intern
Cedarville University Web Services | Aug 2026—Present

- Iterate on webpage designs, improving usability and flow through Figma prototyping and stakeholder feedback.
- Collaborate with the web team to keep content accurate and current.

Co-Founder and Graphic Designer
Kihm's Bakery | Sep 2021—May 2026

- Grew Facebook audience to 1.3K+ followers.
- Managed customer communications, online orders, and deliveries.
- Designed branding, graphics, website, and promotional materials.

Resident Assistant
Cedarville University Residence Life | Aug 2026—Present

- Plan and facilitate weekly hall and Bro-Sis events to build community.
- Develop intentional relationships through regular resident check-ins.
